Utility Solutions

YOUR CONNECTIONS ARE OUR BUSINESS

powersave direct

Offering solutions to your utility problems by providing one point of contact to co-ordinate your utility connections

the solutions

- organise permanent utility connections, disconnections and diversions
- organise temporary builders supplies
- provide solutions for domestic and commercial sites
- prepare and submit all applications
- offer the most competitive quotations
- program works to meet your requirements
- organise associated inspections
- resolve on-site issues
- undertake all utility correspondence and liaison
- obtain supply price
- register MPAN's and MPRN's
- provide informative reporting
- attend site visits and meetings
- provide invaluable support
- obtain existing site utility data
- arrange all associated metering

“Saves us time and lets us concentrate on what we are good at by tapping into Powersave Direct's experience and professionalism.

Murray Laird, Tide End

“It used to make me scream everyday, now I only have to make one call to Powersave Direct and it all gets dealt with.

Claire Naylor, B & D Croft

“Reliable and efficient... never missed a legal completion...it's freed up 35% of my time and saved us between £40,000 and £50,000 a year.

Patrick Arkle, Miller Homes NE

“Powersave Direct can conduct utilities in the matter of weeks. It really makes a building companies job a lot easier.

Jasper Goodyear,
Hazelmere Homes

“One point of contact means I'm not being passed from pillar to post and am always in contact with the right people.

Stuart Andrews,
Selbourne Homes
